

WE EMPOWER REFUGEE TECH TALENTS IN EUROPE

OUR MISSION

Bridging the gap between the labour market and refugees, so that they can resume their professional careers as soon as possible.

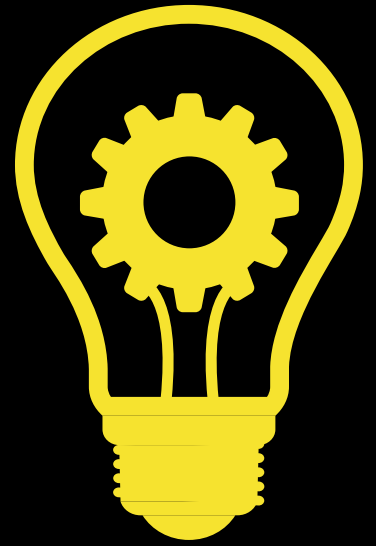

TALENT PROGRAM

We adapt the professional experience, training and skills of our participants to the needs of the technology market and accompany them in the process of personal and professional development.

WHO IS THIS PROGRAM FOR?

Asylum seekers and beneficiaries of international protection with high technological (IT) and digital potential who want to start or resume their professional career in this sector.

We consider people specialising in some of the following areas;

UX/UI Design

Cybersecurity

Software development

Data science

Cloud computing

Digital marketing

Technical support

DevOps

System analysis

SAP consulting

Telecommunications engineering

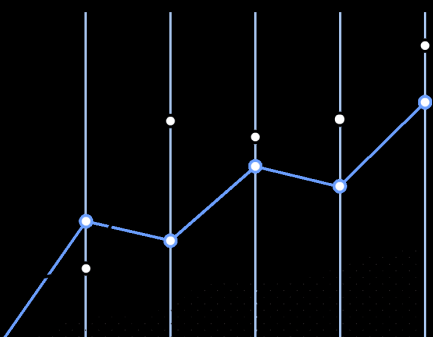

Web development

Database administration

HOW DOES PAZ WORK?

WE MEASURE OUR RESULTS BY THE NUMBER OF PEOPLE WHO ARE ABLE TO REGAIN CONTROL OF THEIR LIVES THROUGH EMPLOYMENT

COLLABORATE WITH US!

We are aware that for a person seeking or benefiting from international protection, finding a professional opportunity is a great challenge. There are countless barriers that hinder the recruitment process, so it is easy to lose hope along the way.

We want to be your best allies so that together we can recognize displaced talent in Europe.

HELP US TO ENSURE THAT NO ONE IS LEFT WITHOUT THE OPPORTUNITY TO ACHIEVE THEIR PROFESSIONAL DREAM

FREQUENTLY ASKED QUESTIONS:

What are the requirements for candidates to be selected for the program?

Fluency in English and/or Spanish, access to a computer and internet connection.

Do program participants need to have an academic degree certificate?

No. In the technology sector, it is not essential to have an academic degree certificate, as there are usually technical entrance exams.

Who is PAZ for?

PAZ has several talent programs that suit three types of profiles:

- People with IT or digital knowledge and experience, looking to restart their professional careers.
- People with IT or digital studies, looking for their first professional opportunity.
- People with no training or experience with high potential, proactive attitude and high motivation to join the tech industry.

How can we send talent your way?

All of the people who would like to join PAZ should fill out the form that can be found on our website (<https://www.paz.ai/>) after which we will contact them directly.

THANK YOU FOR YOUR SUPPORT!

For any further questions, you can contact us at talent@paz.ai
