

Are you the passionate Landscape Architect we are looking for?

The Opportunity

This is an exciting opportunity to join our established, experienced team where you will develop your Landscape Architect skills on a wide range of interesting projects. We welcome candidates from all academic backgrounds who would like to start their career in Landscape Architecture or Landscape Planning and are looking for experienced Landscape Architects as well, so if you are highly motivated and team focussed read on!

The Location

Home Working/ Bury St Edmunds Office/ Site.

Who are we?

We are a well-established (32 years), award winning, multi-disciplinary practice with professionals in Arboriculture, Ecology, Landscape Architecture and Landscape Planning. We are based in Suffolk, and proud of the culture, values, team spirit and vision we share - **'together, making a difference, creating better, greener places and brighter futures.'**

We specialise in the retention and incorporation of greener and more natural Green Infrastructure into residential development, but also carry out consultancy services for all sectors including commercial, leisure, local government, and Infrastructure/ Utility projects.

The Role

We are looking for highly motivated, enthusiastic and team orientated Landscape Architects who are passionate about their profession as well as delivering high standard projects to the clients, and who are committed to their career progression. In return JBA offer support and professional development to facilitate your career ambitions. The right person will have:

- Landscape degree or equivalent qualification in horticultural studies, urban and land studies, or to the design of landscapes
- Positive can-do attitude with strong commitment to career progression
- Excellent written and verbal skills, as well as a high standard of drawing
- Basic AutoCAD, InDesign and Photoshop skills. Revit desired but not essential
- Current full clean UK driving license
- Basic knowledge of Plants and Planting

We Offer

- A competitive salary for the right experience
- Flexible working arrangements
- Strong continuous learning culture – including Chartered (CMLI) and P2C mentorship
- Opportunities for promotion as the team grows
- Funding towards annual professional institution subscriptions
- Great team spirit and the opportunity to work in a multi-disciplinary environment
